

# About Us

At FlorifaA1Fencing we provide construction, repair and maintenance service for high quality fences and gates, using a variety of materials such as aluminum, metal, plastic and wood, offering comprehensive and customized solutions for residential, commercial and farm properties, meeting the unique needs of each client.

We strive to design and install fences and gates that not only ensure the security and privacy of our clients, but also enhance the aesthetics and functionality of their properties. In addition, we are committed to offering turf laying and green area maintenance services to create beautiful, manicured green environments.
